**Wildlife Rescue Nests** is a non-profit charity project founded in Canada in 2013 by Katie Deline-Ray. We are an international network of volunteer knitters and crocheters who supply cozy, lovingly handmade nests to over 200 wildlife rescue and rehabilitation facilities worldwide.
Regular nests (3” to 10”)

by Katie Deline-Ray

5 mm (US H-8/UK 6) hook.
2 strands of medium weight (4) yarn. (Acrylic yarn is recommended.)

Very important: Two strands of yarn must be used to create a rigid nest, and heavy tension on yarn will yield a tighter pattern with no holes. Even though each nest is typically lined with tissues/paper towels before the animal is placed inside, it is essential that the nest be made as tightly as possible (no holes/gaps) to prevent injuries to tiny toes and claws! See example of tension on page 8.

Abbreviations: ch = chain; sc = single crochet; sl st = slip stitch; st(s) = stitch(es); r = round(s); () = work instructions in brackets the number of times specified.

3” nest
R 1: Ch 1. 6 sc in ring. Join with slip st to first sc. This allows you to tighten and make the hole as small as possible. (See tutorial on page 8.)
R 2: Ch 1. 2 sc in each sc around. Join with sl st to first sc.—12 sc.
R 3: Ch 1. (2 sc in next sc. 1 sc in next sc) 6 times. Join with sl st to first sc.—18 sc.
R 4: Ch 1. (2 sc in next sc. 1 sc in each of next 2 sc) 6 times. Join with sl st to first sc.—24 sc.
R 5: Ch 1. (2 sc in next sc. 1 sc in each of next 3 sc) 6 times. Join with sl st to first sc.—30 sc.
R 6: Ch 1. (2 sc in next sc. 1 sc in each of next 4 sc) 6 times. Join with sl st to first sc.—36 sc.
Continue working rows even. Ch 1 with 1 sc in each sc, joining with sl st to first sc on each row, until the nest is 3” deep. Tie off.

4” nest
R 1-6: use instructions from the 3” pattern.
R 7: Ch 1. (2 sc in next sc. 1 sc in each of next 5 sc) 6 times. Join with sl st to first sc.—42 sc.
R 8: Ch 1. (2 sc in next sc. 1 sc in each of next 6 sc) 6 times. Join with sl st to first sc.—48 sc.
Continue working rows even. Ch 1 with 1 sc in each sc, joining with sl st to first sc on each row, until the nest is 4” deep. Tie off.

5” nest
R 1-8: use instructions from the 4” pattern.
R 9: Ch 1. (2 sc in next sc. 1 sc in each of next 7 sc) 6 times. Join with sl st to first sc.—54 sc.

Regular nests (4” and 8”)

by Barbara Johnson

4” nest

Cast on 54 stitches; then divide evenly among 4 dpns.
Work in stockinette (all K stitches) until the nest is approximately 3” tall.
Purl one row, and then start to decrease:
R 1: K7, K2tog—repeat to end.
R 2: K6, K2tog—repeat to end.
R 3: K5, K2tog—repeat to end.
R 4: K4, K2tog—repeat to end.
R 5: K3, K2tog—repeat to end.
R 6: K2, K2tog—repeat to end.
R 7: K1, K2tog—repeat to end.
Tip: Only decrease to the point where you have a small, easily closed gap in the bottom of the nest; otherwise there can be a bump on the bottom that can make the nest unstable.
Cut yarns, leaving a 6” tail. Slide yarn on needle, draw tight to close up end (put a few stitches across the gap if need be.)

8” nest

Cast on 108 stitches; then divide evenly among 4 dpns.
Work in stockinette (all K stitches) until the nest is approximately 5” tall.
Purl one row, and then start to decrease:
R 1: K14, K2tog—repeat to end.
R 2: K13, K2tog—repeat to end.
R 3: K12, K2tog—repeat to end.
R 4: K11, K2tog—repeat to end.
R 5: K10, K2tog—repeat to end.
R 6: K9, K2tog—repeat to end.
R 7: K8, K2tog—repeat to end.
R 8: K7, K2tog—repeat to end.
R 9: K6, K2tog—repeat to end.
R 10: K5, K2tog—repeat to end.

Mailing addresses of registered rescues
The list of mailing addresses is updated regularly and includes the types of nests requested and received by each rescue. Check it out at http://ow.ly/Sj17C.

Volunteer sign-up
Volunteer sign-up isn’t mandatory. We use the “Sign-up” tab at the top of our Facebook page to keep track of the number of volunteers making nests. If you have donated nests or are working on nests to donate, please click on “Sign-up” and select “Going” as if you were going to attend an event. The sign-up/event page is also a great place to share where you’re from and where you’ve sent your nests, post photos, and ask questions. https://www.facebook.com/wildliferescuenests.

Nest registration
We keep a running tally of all nests that have been shipped out; this helps our volunteers to direct their shipments to the rescues that are most in need. Register your nests here: http://ow.ly/SGCBv. (Please register your nests even if you aren’t signed up on our Facebook page!)

Tutorials
How to start a crocheted nest: Ch. 1, then make that chain loop a little bigger, as pictured below. Then you crochet your first 6 sc in that loop. That will give you your first 6 stitches to build on and it allows for you to pull it closed and tighten the bottom so there is no hole in the middle. See our How-to video for crocheted nests: https://www.facebook.com/wildliferescuenests/videos.

Tips and advice
- Our patterns were developed using 5 mm hooks and needles, but you can use any size to obtain the proper tension, as pictured above.
- Acrylic yarn is recommended but not mandatory. Please only use fibers that can be machine washed and dried.
- Only use standard, medium (4) weight yarns (or other weight to obtain the proper tension). Rescues won’t accept nests made with novelty yarns (i.e., eyelash or boa yarns, metallic yarns, sequined yarns, etc.), as they could be injury hazards for animals.
- Always use two strands of yarn and check your tension to ensure that nests are rigid and safe for the animals.
- It’s easier to count stitches when using two different/contrasting colours of yarn.
- A number of rescues have confirmed that there are no specific colours to avoid.
- Tie off your work using a few sturdy knots before weaving in the ends. Otherwise, the nests may begin to unravel after a few washings.
- It’s best not to wash your nests before sending them out.

Care labels
Don’t throw away those leftover bits of yarn just yet! Use them to tie our optional care labels to a few nests in each shipment. You’ll find a printable sheet on page 9. If possible, use a 2” paper punch.
